

# SHOWING PROPERTY IN AN AREA THAT USES SENTRILOCK ELECTRONIC LOCKBOXES (ELB)?

**BE PREPARED** or risk not gaining access.

As a non-SentriLock agent, access ELBs with the SentiCONNECT app.

One-day codes are strongly discouraged due to lack of security.

1

## DOWNLOAD the SentiCONNECT app on your phone

Click below to download:  
[GooglePlay](#) or [App Store](#)

**TIP: Do not delete the app** from your phone to be prepared for any future showings that require SentiCONNECT access.

2

## CREATE YOUR ACCOUNT

- Enter required information
- Look for email or text to complete the registration process
- Use this email when scheduling showings

3

## ADJUST YOUR SETTINGS

- Enable Location Services 
- Enable Bluetooth 
- Enable Push Notifications to get timely notifications when access is granted to access a property 

4

## CHECK YOUR MESSAGES

Review all your accesses by selecting the  (messages) icon **OR** click the  (menu) icon (upper left) and select *My Accesses* to see:

- Directions to Property
- Listing Details
- Agent Contact Info

 [Video: How to Use SentiConnect \(2 minutes\)](#)

## IMPORTANT:

Open the SentiCONNECT app **BEFORE** heading to the property while on Wi-Fi or cellular data to ensure your credentials are validated with SentriLock for 24 hours as we have areas with spotty or no cell service.

Press "ENT" on the lockbox to activate Bluetooth connection (which is required for the ELB to OPEN)
